

PHOENIX
EVENTS EAST LTD

**WE GUARD
WE PROTECT
WE SECURE**

WHO WE ARE

Phoenix Events (East) Ltd provides experienced and trained security officers, stewards for set-up and derig, car park marshals, traffic management, course marshals and other event staff.

Providing services for your event including, but not limited to, pacesetter/back marker (can be a car, bicycle or runner). Registration area, bagging area, finish line, transition area, car parking staff and signage, traffic management, event set up, putting up and taking down signs, marquee and obstacles. All aspects of your event covered by our team.

We adhere to every associated practice related to your event. Planning, training and image is of paramount importance to us for a successful event.

Phoenix Events (East) Ltd realises that in many instances the first contact your customers and staff have at your event is with a member of our team. We ensure that our staff are smart, articulate and fully briefed to handle their role. We are ambassadors for your event and pride ourselves in going the extra mile. We don't just want to be a contractor we want to be part of your events team.

We can support your event by providing one member of staff to the provision of 50 for larger scale events and occasions. We pride ourselves on a core team that are fully trained and experienced. We do not sub contract, it's 100% a member of our team.
